Workplace Safety laws apply to ALL Employers.

When an employee is injured at work employers are guilty until they can prove they're not.

Maximum fines recently increased to \$250,000 and \$500,000 for a first and second offence respectively

No insurance can be purchased for this kind of liability.

Your only insurance is your Safety Management System (aka "Safety Program")

### DID YOU KNOW? IN MANITOBA:

**100** workers are injured  
EVERY DAY

**2** amputations occur  
EVERY WEEK
